STRENGTHS:

- A person with an insatiable need to learn
- A multi-faceted person, Company Owner, Auditor, Trainer, Consultant
- A critical thinker and problem-solver
- A self-motivated worker, independent since 1984

Currently:

President of Cornerstone Engineering, Training, and Consulting, LLC - Jan 1984 to Present:

- **Lead Auditor** – Perform contract work auditing ISO 9001, ISO 14001, ISO 45001, ISO 22000, ISO 22716, ISO 50001 and ISO 13485. Audits have included hospitals, design organizations, chemical processes, plastic manufacturing, electrical components, food processing, service providers, and metal cutting/processing.
- Auditing that adds value to the organization not by consulting but by explaining the standard.

Currently Pecan Farming: Operations Manager 55 pecan trees. (1995 to present). We have not certified it as organic but follow organic practices. Maintain equipment for the harvesting. Chemical treatments and fertilizer applications.

Past Experience:

President of Heavenly Harvest, Inc. Jan 1999 to Dec 31 2020

Heavenly Harvest, Inc. (HHI) was a woman-owned, emerging small business, which conforms to ISO 9001, ISO 14001, ISO 45001, cGMP, ISO 22000, and ISO 22716 which produces under the name brand “Country Gent” manufacturing products such as oils, tooth powder, foot powder, and talcum powder. HHI distributed over 125 products wholesale and retail through Amazon, Ebay, and Health Stores.

Designed, Manufactured, and Distributed products. This included the mixing of dry and wet chemicals, bottling of such, design of packaging, and packaging to meet compliance requirements of FDA. Managed the Laboratory for testing chemicals. Set up the testing to determine the methods to use in production to meet requirements. Was responsible for compliance to EPA, OSHA and FDA.

More Experience:
